

Redfish Emerging Markets, LLC

Working City List

The following list contains the communities currently in our “Master Database MSA List” here at Redfish Emerging Markets, LLC. The list is current as of 21 July 2008. The “Number” column data is simply for counting purposes and does not reflect rank, order, or other sort of the list.

Cities listed in the standard black color are markets we are routinely and actively tracking.

Cities listed in the lighter gray color are either smaller / tertiary markets that we feel will present an inordinate challenge procuring project funding in, or have been dropped from the Bureau of Labor Statistics’ full report list. These markets are being tracked but results may not be reflected in monthly rankings. These markets’ results will be reflected in rankings as the complete data package becomes available.

Cities listed in the blue color are markets that have required special analysis due to a variety of reasons, and tracking results should be evident in rankings by 1 September 2008.
